Cookies Policy

When accessing the https://www.belgianfibers.com website (the "Website"), cookies may be installed and temporarily stored on your hard drive to ease your browsing.

A cookie is a text file placed during the consultation of a website, stored in a specific space of the hard drive of your computer or your mobile device. Cookies are managed by your Internet browser and only the issuer of a cookie can decide to read or modify the information contained therein.

Cookies have several functions, such as allowing you to navigate efficiently on a website and remembering your browsing preferences or the pages of the website that you have visited.

A cookie allows its issuer to recognize your terminal and to collect a certain amount of information relating to the navigation carried out from this terminal.

We also share information about the use of our Website with our social media, advertising and analytics partners, who may combine this with other information that you have provided to them or that they have collected during your use of their services.

For more information, you can consult our Privacy policy.

Cookies strictly necessary for the operation of the Website may be automatically stored on your device. For all other types of cookies, your prior consent is required. The period of validity of your consent is 13 months maximum. You can change or withdraw your consent at any time using our preference management tool.

Your consent applies to the following areas: https://www.belgianfibers.com

Cookie List

A cookie is a small piece of data (text file) that a website – when visited by a user – asks your browser to store on your device in order to remember information about you, such as your language preference or login information. Those cookies are set by us and called first-party cookies. We also use third-party cookies – which are cookies from a domain different than the domain of the website you are visiting – for our advertising and marketing efforts. More specifically, we use cookies and other tracking technologies for the following purposes:

Functional Cookies

These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies then some or all of these services may not function properly.

Performance & Analytics Cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site, and will not be able to monitor its performance.
